## Message

It is with great happiness and a deep sense of pride that I share a few words in this edition of our School Newsletter. As I look through these pages, I am reminded of the wonderful journey we share as a school community – a journey filled with learning, growth, challenges and countless joyful moments. Every student has a unique talent and a special story to tell. This magazine gives our children an opportunity to express themselves, celebrate their achievements and share their creativity with others. I am truly proud of the enthusiasm and dedication they have shown. I would also like to express my sincere gratitude to our Principal, Teachers, Non-teaching staff and parents for their constant support and commitment. Your collective efforts create an environment where our children feel encouraged to dream, learn and become responsible human beings.

As Manager, I feel privileged to be a part of this wonderful institution and to witness our young learners grow from year to year. My heartfelt wish is that every child who walks through our school gates carry with them not only knowledge, but also confidence, kindness and strong values.

May our school continue to grow, and may our children always have the courage to dream big and the determination to make those dreams a reality. With affection, prayers and best wishes!

**Sr. Vinaya, S J C**
