Answer these question

1. **“Do as you like!” said the monkey.**
What made the monkey say this?

The monkey said this when the bird told that he could not teach her anything. The bird made fun of monkey 's face and rejected the help.

2. **“No,” said the bird to the snake.**
What had the snake just said to her?

The snake had said that he would show the golden bird the forest as she was new there.
